Polices for Abundance Living Ministries Sessions

- All sales of individual session hours and/or packages are final and non-refundable.
- Once in the EES Abundance Healing Zone, we ask that you place your cellular devices in airplane mode. If you must use a device, please leave the room, and go into the area where the bathroom/kitchen area is using a hush voice or step out on the side deck so as not to disturb other members wanting to be in a quiet/Zen atmosphere.
- The best way to experience the benefits while in the EESystem is to take time in your session to rest. Sleeping, meditating and silent prayer are all wonderful ways of spending your time in the EESystem.
- Please be respectful of others wanting silence and keep chatter to a minimum.
- Do not *move* or *rearrange* any furniture in the EESystem Abundance Healing Zone. This could inadvertently bump the laser aligned equipment causing the Bio-Photonic Energy to not be aligned properly.
- Please refrain from wearing perfume/cologne.
- Please arrive approximately 15-20 minutes prior to your appointment time, be aware there are 30 minutes between the 2-hour sessions, and if the white chain across the front porch entrance has not been taken down, the previous session is still in progress. Either go around to the side (around the privacy panel fence south of the house) to the side deck and side door entrance. If you are unable to walk around please wait until we remove the chain on the front porch and then enter through the front door.

Cancellations and Late Fees:

- 8-hour notice is required for all sessions.
- Cancellations not made within the above required time are subject to a **\$20 per session hour fee. (e.g., Late canceled for 2-hour session = \$40.00 fee)
- To cancel please either email, abundancelivingnd@gmail.com OR call (765)534-3564.
- Since the sessions are blocked out as 4 2-hour sessions during days of operation, if you are late, your session is reduced by the amount of time you are late for your appointment.
- ANYONE found TOUCHING or INTERFERING with ANY part of the EESYSTEM will be asked to leave, have their membership revoked, not receive a refund for any unused time, CHARGED a **\$5,000.00 fine** as well as **ALL cost associated** with flying the EESystem trained installer in to realign the system with laser precision as well as payment/reimbursement for ALM not being able to operate and serve members/potential members. Additionally, individual(s) will NOT be permitted back to Abundance Living Ministries Healing Zone.
